LED FEATURE LIGHTING

MATRIX

LED FEATURE LIGHTING

The All-New MATRIX range from Spa Electrics brings everything you love about our pool lights into an exciting new range of landscape and water feature products.

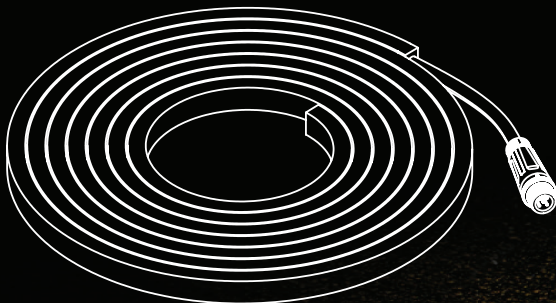

Highlight landscape features, illuminate wall art, and enhance water features and blades.

Experience the vivid colours and True White with MATRIX RGB+W LED arrays on our signature MULTI PLUS platform.

Synchronise MATRIX with your swimming pool lights for a truly harmonious look.

Available in 1.2m water feature reel and 5m landscape reel, that can be cut to size to suit application. Simple 'Plug and Play' installation.
